

NJMS Curriculum

AUG	SEPT	OCT	NOV	DEC	JAN	FEB	MAR	APRIL	MAY	JUNE	JULY
-----	------	-----	-----	-----	-----	-----	-----	-------	-----	------	------

Year 1					
Transition 1	Molecular and Genetic Medicine (MGM)	Anatomy, Cell Biology & Embryology (ACE)	Medical Physiology (MP)		Mind, Brain & Behavior (MBB)
	Medical Interviewing (MI)	Ethics, Humanism and Professionalism (EHP)	Physical Examination (PE)		
			Preceptorship		

Year 2				Year 3		
Infection & Host Response (IHR)	Disease Processes, Prevention & Therapeutics (DPPT)		Biostatistics & Epidemiology	Transition to Clinical Years	Transition 2	Clinical Clerkship
Advanced Communication Skills (ACS)	Advanced Physical Diagnosis (APD)					
Preceptorship						

Year 3: Clinical Clerkships (<i>sample</i>)												
Medicine/ Selectives	Family Medicine	V	Pediatrics		V	E	Surgery	V	Surgery	Psych/ Neuro	OB/ GYN	E
	Pediatrics	Family Medicine		V	V							

Year 4	
Physical Medicine & Rehabilitation, Emergency Medicine, Preventive Medicine/Public Health, Acting Internships, and Electives	Transition 3
	Graduation

E – Elective; V – vacation

Molecular and Genetic Medicine (MGM): Biochemistry, Genetics and Molecular Medicine

Anatomy, Cell Biology and Embryology (ACE): Gross Anatomy, Cell Biology and Embryology

Medical Physiology (MP): Medical Physiology

Mind, Brain, Behavior (MBB): Neuroscience (anatomy/physiology), Neuropathophysiology, Neuropharmacology, Psychopathology, Neuroendocrinology

Physicians CORE: Medical Interviewing (MI), Ethics, Humanism, and Professionalism (EHP), Physical Examination (PE), Advanced Communication (AC), Advanced Physical Diagnosis (APD), and Preceptorship

Infection and Host Response (IHR): Microbiology, Immunology, and General Pathology

Disease Processes, Prevention and Therapeutics (DPPT): Pathology and Clinical Medicine by systems, advanced physiology and pharmacology, Clinical Nutrition and Preventive Health

Biostatistics and Epidemiology: Preventive Medicine, Biostatistics, Epidemiology and Evidence-Based Medicine

Transition Series: 1 (Orientation); 2 (Introduction to Clerkship Years); 3 (Introduction to Residency)

Transition to Clinical Settings (TCS): Advanced Cardiac Life Support Skills Training and USMLE Step 1 Prep
