

Thinking about an IUD?

If you have regular periods, you may be eligible to participate in a study and receive a Skyla IUD at no charge

The Study: Does Skyla insertion timing impact bleeding?

Why the research study?

We're studying how women bleed after they get an IUD.

Commitment?

Once you get the IUD, answer a daily text about your bleeding for 90 days.

Compensation?

\$25 for each 30 days of texts, for a total of \$75;
Enjoy three years of a safe and effective birth control method.

Eligibility?

18-45 year old women
Interested in Skyla for contraception

Interested? Give Tasmiah a call at 973-972-9065 or visit www.njms.rutgers.edu/skyla
