A red-bordered box contains the instruction: "Download and print the appropriate immunization packet for your program" followed by three bullet points: "Select your school from below and you'll be linked to the appropriate packet (on the Student Health website)", "Requirements vary by program so take care to select the appropriate immunization packet", and "Review the instructions specific to your program". A final bullet point states: "The packet is a PDF. Type in your information, print out, and give to your healthcare provider to complete".

2. Then click Print
