Objectives
At the conclusion of this activity, participants should be better able to:
1. Define advocacy;
2. Describe tactics and pathways of advocacy at the individual, community, and institutional level; and
3. Illustrate how residents are uniquely positioned to use advocacy communications on behalf of their patients.

Target Audience
This activity is designed for all faculty, residents, and fellows from all specialties, medical students, and residency/fellowship program coordinators.

Accreditation
In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
