

MY PROFILE

Randoll "Terry" Christopher

From: Grenada, West Indies

High School: Grenada Boys' Secondary School

College: St. George's University (Grenada)

Majors: Chemistry, Biology

Graduate School: Rutgers Graduate School of Biomedical Sciences (MBS)

Racial/Ethnic Description: Caribbean (African Descent)

Personal Interests: I am fascinated with the world around me, both natural and man-made; English literature: Classical stuff like Dickens and Tolstoy; Tennis: Mostly spectating; Nature: Marine biology in particular, although all of nature is a great wonder.

Professional Goals/Interests: Currently I am a third year medical student. I'm hoping to match into general surgery when I graduate. Maybe further on I can specialize in trauma or transplant (liver).

Other: I have over 150 first cousins.
