Following registration, you will receive a bill for tuition and related fees. When you receive the bill, please read it carefully and contact the administrative offices if you have any questions (973-972-4511). You may also view your bill online via my.rutgers.edu. Tuition bills must be paid by the first day of the semester.

Students may arrange with OnPlan to follow an installment payment plan. Students wishing to sign up for the installment plan do not have to do so prior to registration, but must do so prior to the billing due date. You can complete the OnPlan registration at https://rutgers.myonplanu.com/login

Any student who elects to use the payment plan and finds it impossible to meet this obligation must contact the Financial Aid Office immediately to make alternative arrangements. No degree will be awarded to any student until all financial obligations to the University have been satisfied. Students adding a course that begins mid-semester must pay the full tuition prior to the start of the course.
