

# GUIDELINES FOR PREPARING YOUR SUMMER STUDENT RESEARCH ABSTRACT

**Submission Deadline:  
Monday, August 19, 2013**

## **OUTLINE:**

The ABSTRACT must include the following elements:

1. **Objective** of the study/Hypothesis to be tested
2. Brief description of **methods** used
3. **Summary** of results
4. **Conclusion**

## **LENGTH and CONTENT:**

Reports should not exceed 4 single-sided pages. You may include simple charts and graphs in your report. If you choose to include charts and graphs, they should summarize existing information. **All figures must be in black and white** so that no information will be lost through photocopying. All charts and graphs should be grouped so that information moves together if they need to be reformatted during publication.

## **PARTICIPATION DESCRIPTION:**

On separate page, **briefly describe your participation** in the research project (e.g., your involvement in planning experiments, number of techniques used, number of assays performed, patients seen, charts reviewed, data interpretation or any statistical analysis). This should no more than a paragraph.

**Please keep the informational paragraph separate.....do not include this section in the body of your report. This section will NOT be included nor published in your report.**

## **SUBMISSION REQUIREMENTS:**

The abstract must be submitted both as a printed copy, **signed and dated by your faculty sponsor, AND** as an e-mail attachment. **The e-mail version must be an exact duplicate of the paper abstract.** Please submit abstracts to Ms. Giovanna Comer at the Office of Research and Sponsored Programs, MSB C-690 and e-mail a copy to Ms. Comer at [giovanna.comer@rutgers.edu](mailto:giovanna.comer@rutgers.edu).
