

Objectives for Pain Management Rotation

Knowledge	Tool	Criteria
Demonstrate basic knowledge and	a. Discussion with Pain	a. Satisfactory rating
understanding of anatomy and	faculty in oral board format	or greater
pathophysiology of pain mechanisms	b. Written exam	b. Score ≥75%
Differentiate between somatic,	As above	As above
visceral, and neuropathic pain and		
treatment pathways		
Demonstrate understanding of the	As above	As above
W.H.O step ladder approach to pain		
management		
Demonstrate knowledge of NSAID's,	As above	As above
opioids, and adjuvant medications in		
pain control		
Understand concepts/use of invasive	As above	As above
pain therapies		

Patient Care	Tool	Criteria
Perform thorough evaluation of post-	a. Recitation and discussion	a. To the satisfaction
op acute pain patients, including	with Pain faculty (Chart	of Pain attending
complete documentation	Stimulated Recall)	b. 10 charts during
	b. Chart review by faculty	2 nd half of rotation
Perform detailed history of chronic	Focused observation, Mini-	Satisfactory rating or
pain patients	CEX	greater, 3 patients
		during 2 nd half of
		rotation
Perform detailed neurologic exam on	Focused observation, using	Satisfactory rating;
patients with the following pain states:	checklist criteria	at least one of each
-Headache		of the pain states
-Facial pain		
-Cervical radiculopathy		
-Lumbar radiculopathy		
-Chronic low back pain		
-Post herpetic neuralgia		
-Chronic regional pain syndrome		

Professionalism	Tool	Criteria
Understands and appreciates	a. Focused observation by	TBD
concepts of family/patient suffering in	faculty	
context of acute/chronic pain states	b. Patient survey	
Responds promptly to all consultative	Staff survey	Respond within 5
calls		minutes to beeper
		calls (80%); respond
		within 15 minutes to
		acute post-op pain

		calls; respond within 30 minutes for all other pain consultations
Interact with all members of the pain	a. Global evaluation by	a. Satisfactory rating
team (nursing, staff, attending, etc.) in	faculty	or greater
appropriate manner	b. Staff survey	b. TBD
