Student Health Services
Rutgers Health Sciences Campus at Newark
90 Bergen Street, Suite 1750
Newark, NJ 07103

Dear Entering Student,

It is my pleasure to welcome you to Rutgers Biomedical and Health Sciences.

The following pages list our health and immunization requirements. Our policy protects you, our patients, and Rutgers staff and is based on CDC recommendations and NJ state law. Completing the requirements can take time, so keep this in mind as you schedule an appointment with your provider to complete the Immunization Record.

Please make sure to have your health care provider complete, sign and date the Immunization Record and attach all relevant labs. Review the checklist with your healthcare provider so that the appropriate tests are performed. Your provider may not be familiar with some of these requirements, but they are **REQUIRED**. The checklist may help to avoid the wrong tests being ordered at an increased cost to you, as any cost incurred related to the above requirements is your responsibility.

Once the Immunization Record is complete, log into the Student Health Portal at https://patient-rbhs.medicatconnect.com/ and

1. Combine the Immunization Record, lab reports, and imaging into one document and upload it under the Upload tab
2. Complete the Mandatory Health Form under the Forms tab

The online Mandatory Health Form includes several tuberculosis risk questions (also listed on the Immunization Record). If any of the questions are positive, you will need to submit a single PPD or FDA approved blood test for tuberculosis. Please read the meningitis vaccination requirements carefully as they are new for summer 2020.

The RBHS "Student Immunization & Health Requirements" Policy may be accessed here.

If you have any questions, cannot access the portal, or need a recommendation for a local health care provider, please contact Student Health Services at: 973-972-8219. Be sure to keep a copy of your paperwork for your own records.

Sincerely,

Noa'a Shimoni MD MPH
Medical Director

THE STATE UNIVERSITY OF NEW JERSEY

Healthcare Provider and student checklist (REQUIRED ITEMS)

Mandatory Health Form	☐ Students must complete an **ONLINE** Mandatory Health Form at https://patient-rbhs.medicatconnect.com/
MMR	☐ 2 doses of Measles, Mumps, and Rubella vaccine (first dose must be after age 1) ***OR*** ☐ MMR IgG titers showing immunity – attach lab report LabCorp test #058495 Quest Diagnostic test #85803A
Meningitis ACYW **Meningitis B**	☐ Meningitis ACYW (required for students under 19, first year college students in housing, thosewith asplenia, sickle cell, N meningitidis lab work, complement deficiency or complementinhibitor use, HIV, and travelers to/residents of areas with endemic meningitis)with at least 1 dose since age 16 ☐ Meningitis B (required for students with asplenia, sickle cell, N meningitidis lab work, complement deficiency or complement inhibitor use)
Hep B	☐ Complete series of Hepatitis B vaccine (3 doses of Engerix or 2 doses of Heplisav) ***OR*** ☐ Hepatitis B Surface Antibody **QUANTITATIVE** titer (the result must be a number) **attach lab report**. LabCorp test # 006530 Quest Diagnostic test # 51938W
PPD	Students are assessed for tuberculosis risk through a series of questions on the online Mandatory Health Form (also listed on the immunization record). Students with past or current risk will need to submit either a single PPD or FDA approved blood test. Testing must occur **regardless** of receiving BCG in the past. The questions are listed in the Immunization Record. ☐ PPD • Please include date placed and date read in millimeters of **induration** • For a PPD ≥10 mm now or in the past, you must submit documentation of the PPD reading and a chest x-ray or FDA approved blood test within the last 6 months ***OR*** ☐ an FDA approved blood test for TB (such as Quantiferon Gold) LabCorp test # 182873 Quest Diagnostic test # 19453
Tdap	This vaccination is highly recommended once after age 19 for everyone. If you will be spending time in a lab or a clinical environment, it is your responsibility to obtain this vaccination. ☐ Adult Tdap (tetanus/diphtheria/**acellular pertussis**) (Adacel/Boostrix) (one-time administration)
Varicella	Please document the student's varicella vaccination or titer if known.
COVID-19 vaccine	Please document all doses of ACIP-approved COVID-19 vaccines.

***** Students working in healthcare with two or more up-to-date annual PPDs may submit that documentation to fulfil this requirement.
