

IMPROV TO IMPROVE

COMMUNICATION SKILLS

We will teach **faculty** and **postdocs** how to communicate their research accurately, effectively and understandably.

FALL 2018 SEMESTER | FRIDAYS 11:00AM - 2:00PM
OCTOBER 19 & 26 | NOVEMBER 2 & 9

LEARN HOW TO:

- Identify the essential message that defines your research
- Recognize the diverse audiences you speak to about your research
- Engage your audience and tell them why they should care about your research
- Speak clearly and vividly in language your audience will understand
