

Patient Satisfaction Rating Scale for History Taking

How is the doctor at:	1 Poor	2 Fair	3 Good	4 Excellent	5 Cannot Evaluate
Item 1					
Greeting you warmly and showing respect, treating you like you are on the same level, not patronizing, nor talking down to you.					
Item 2					
Listening to you carefully, being attentive and interested, allowing you time to answer, and not interrupting while you are talking.					
Item 3					
Asking open-ended questions, using words that you can understand, encouraging you to contribute any additional information.					
Item 4	YES			NO	
Would you return to this physician for your care?					
Please explain, if No:
