**This activity is provided by Rutgers New Jersey Medical School, Department of Radiology**

### Prostate Artery Embolization In The Setting of Prostate Cancer-Novel Indications and Techniques

Monday, November 3, 2025  
12:30PM to 1:30PM  
Hybrid--Virtual via WebEx

**Nainesh Parikh, MD**  
Associate Member, Diagnostic Imaging and Interventional Radiology  
Moffitt Cancer Center

#### Lecture Objectives:

- 1) Introduction to organ-confined prostate cancer and standard guidelines for management.
- 2) Review of patients who can benefit from PAE in the setting of prostate cancer (both before and after definitive radiotherapy).
- 3) Updated data review for men who have prostate cancer who can also benefit from PAE.

#### Target Audience:

Interventional Radiologists, GU Radiation Oncologists, GU Surgical Oncologists.

#### Disclosure Declarations:

Dr. Parikh does not have a relevant financial relationship with commercial interests within the past 12 months.
