### **Objectives**

At the conclusion of this activity, participants should be better able to:

- Describe the history of graduate medical education in relation to duty hour restrictions.
- Contrast the problem of resident fatigue and patient turnovers and how they contribute to errors in patient care.
- Identify the challenges of making evidence-based changes to duty hour restrictions.

### **Target Audience**

This activity is designed for all faculty, residents, and fellows from all specialties, medical students, and residency/fellowship program coordinators.

### **Accreditation**

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physicians:** Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
