

# RUTGERS

New Jersey Medical School

**All are welcome to attend the next  
GME Faculty Development Session!**

## **“Improving Quality Improvement: Implementing a Resident-Driven Longitudinal Quality Improvement Curriculum”**

**ALEKSEY TENTLER, MD, MS**  
**Assistant Professor of**  
**Internal Medicine and Pediatrics**  
**Director of Educational Informatics**  
**Rutgers New Jersey Medical School**

**Thursday, November 9, 2017**

**4:00 - 5:00PM**

**MSB Dean’s Conference Room, C-677**

***Light refreshments will be provided!***

### **Objectives**

At the conclusion of this activity, participants should be better able to:

- Identify the opportunities and potential barriers in developing a longitudinal Quality Improvement (QI) curriculum for a residency program.
- Review the Institutional Review Board application process for an exempt QI project.
- Summarize the intermediary milestones that help to track the progression of a QI project and improve the chances for its completion.

### **Target Audience**

This activity is designed for all faculty, residents, and fellows from all specialties, medical students, and residency/fellowship program coordinators.

### **Accreditation**

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**Physicians:** Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Disclosure Declarations:**

- **Dr. Aleksey Tentler** has no relevant financial relationships to disclose. **Planning Committee:** Dr. Valerie Fitzhugh (Content Reviewer) and Dr. Neil Kothari have no relevant financial relationships to disclose. Speakers are required to disclose discussion of off-label/investigational uses of commercial products/devices in their presentation. These disclosures will be made to the audience at the time of the activity.
