**RUTGERS NEW JERSEY MEDICAL SCHOOL**

**Thursday, January 9, 2020 8:00-9:00AM**

**MSB Dean’s Conference Room, C-677**

***Light refreshments will be provided!***

### **Objectives**

At the conclusion of this activity, participants should be better able to:

1. Review the role of addiction treatment in mainstream medicine.
2. Discuss the stigma surrounding substance use disorders (SUDs) and the need for active interventions to address this.
3. Learn how your trainees can become proficient at identifying SUDs and initiating treatment as part of their routine workflow.

### **Target Audience**

This activity is designed for all faculty, residents, and fellows from all specialties, medical students, and residency/fellowship program coordinators.

**Disclosure Declarations:** Dr. Erin Zerbo has no relevant financial relationships to disclose. Speakers are required to disclose discussion of off-label/investigational uses of commercial products/devices in their presentation. These disclosures will be made to the audience at the time of the activity. Planning Committee: Drs. Kristin Wong and Neil Kothari have no relevant financial relationships to disclose.

### **Accreditation**

JOINTLY ACCREDITED PROVIDER™  
HEALTHPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: **Rutgers Biomedical and Health Sciences designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
